

## National Cervical Screening Campaign

5 March – 28 April 2019

### Sample Social Media Posts

**Remember to use the campaign hashtags #CervicalScreeningSavesLives and #healthyhalton when you can.**

- Two women die every day from cervical cancer in England. Cervical screening can stop cancer before it starts. Don't ignore your #CervicalScreening invite [www.nhs.uk/cervicalscreening](http://www.nhs.uk/cervicalscreening) #CervicalScreeningSavesLives
- Cervical screening isn't a test for cancer; it checks the health of the cervix and can prevent potentially harmful cells from developing. Don't ignore your #CervicalScreening invite. If you missed your last one, book an appointment with your GP practice today [www.nhs.uk/cervicalscreening](http://www.nhs.uk/cervicalscreening) #CervicalScreeningSavesLives
- Cervical screening only lasts five minutes and you only have to go once every three or five years depending on your age. That's five minutes that could save your life. Don't ignore your cervical screening invite [www.nhs.uk/cervicalscreening](http://www.nhs.uk/cervicalscreening) #CervicalScreeningSavesLives
- Cervical screening can stop cancer before it starts. Don't ignore your cervical screening invite. If you missed your last one, book an appointment with your GP practice today [www.nhs.uk/cervicalscreening](http://www.nhs.uk/cervicalscreening) #CervicalScreeningSavesLives
